

GCSE PHOTOGRAPHY (Foundation) - Year 9

Aim of course:

- Learn about the history of photography and key facts
- Learn the photographic ELEMENTS:
Genre, Composition (Rules of thirds/Leading Lines/Balance/Point of Interest), Angle of view, Perspective, Light, Framing, Cropping, Exposure, Format (Landscape/Portrait) and Depth of Field
- Learn how to use a DSLR camera in manual mode
- Learn about natural and artificial lighting
- Take photos in a studio
- Learn how to 'read' an image and analyse a photographer's image using key terms and photographic language
- Learn how to analyse your own image using key terms and photographic language
- Learn camera skills and techniques:
The Photographic Triangle- Aperture and F-Stop, Shutter speed, Focus, Depth of Field, Time exposure, ISO and Focal length
- Learn the Visual Design ELEMENTS:
Line, Tone, Colour, Texture, Form, shape and Pattern
- Learn how to use Adobe Photoshop to edit images and create final pieces – eg. magazine/book/film covers

Still Life

exhibition

call for more information on 0209574187

A still life composition featuring a human skull in the upper left, a skeleton lying on a wooden surface in the background, and several flowers, including a red rose and a purple chrysanthemum, in the foreground. The text 'The iNfEcTs' is at the top in red, 'Still Life' is in the middle in green, and 'exhibition' is at the bottom in red. A small text at the bottom left says 'call for more information on 0209574187'.

LEARN NEW WAYS TO MAKE NEW CREATIONS!

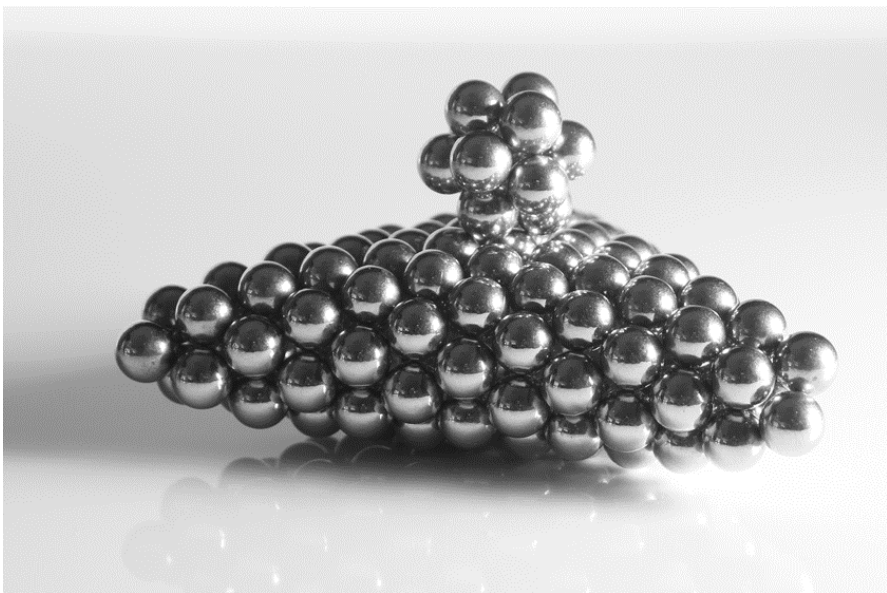

Magnets and their Works

9th JUNE
MAGNET COMPETITION!

London, Waterloo
11am - 2pm

Challenge many people from all over the country and create to win. There are workshops for people with less experience using the magnets. A variety of different colours are allowed so you can make your creations look better to win. Children of 3 and under are not allowed due to hazardous reasons. You will not need to bring your own as they will be supplied for the contestants, and having a limitation making the challenge not as easy. You are not allowed to interfere with other contestants or their structures, and they must include a fair amount of magnets as it would look too simple. Teammates are allowed but only for helping and not cheating. Lastly, let your imagination run wild and have fun!
