

## Student Power

Student council will be having a workshop with all reps on the 15<sup>th</sup> November. The focus will be discussing feedback regarding rewards and starting thinking about playground space as well as positive mental health. Feedback and ideas are still welcome for playground space, so please send these to either to Iona Whittington by email or ask your student reps to speak to her in S06. Following the recent meeting on rewards, there will be a mufti day for students just before Christmas and all donations will go to charity

## Handball Success

I have had an action packed few months attending a number of trials & selections for the Great Britain u18 handball squad.

This summer I have already represented GBu18 Handball squad in Austria and Portugal.

This week I have returned from Kosovo where the squad successfully reached the final of the IHF Trophy European Zone against the hosts Kosovo - where we were defeated by just 5 goals.

History has been made for GB Handball as this was the first ever international final and the first silver medal for any age category.

I looks forward now to continue training with GB squad and playing for my local team Carshalton Titans.

Rob

15 Year 10 NCOP students attended this event at which gave them an insight in to some subject tasters. Many of them will have not visited Kingston University before so also gives them a taste of another university. One of our students won an amazon voucher in the ice breaker session. ### Thursday 1<sup>st</sup> November – Year 13 One to one support on UCAS Personal Statements – Inbound visit from Sussex University

Two members of staff from Sussex came in to work with our students on their personal statements. It is useful for our students to get a different perspective on their applications and one to one support from universities is invaluable. Our students were fantastic, and some very useful conversations took place. Thanks to Abbie Jones who looked after our guests on the day.

### **Thursday 1<sup>st</sup> November – Year 11/ 12 Criminology Seminar with Roehampton University.**

Our Year 12 Criminology class, plus a small group of 11 Sociology students, had a university style seminar by a Criminology and Sociology lecturer from Roehampton University. The students had an introduction to what Criminology is and had a brief overview of what a criminology course entails.

The students then took part in a 'build your own prison' activity. Students planned and discussed purposes of imprisonment, with many favouring to rehabilitate offenders. These students had a small taste of what learning would be like in university and were informed of open days that are coming up at Roehampton. It was a great session. Many thanks to Leanne Ralton for organising.

Thursday 1<sup>st</sup> November – Study skills session with St Mary's University. Unfortunately, this session was cancelled at the very last minute. This will be rescheduled.
