

## Little Shop of Horrors

120 students  
7 songs  
5 dances  
2 nights  
1 flesh eating plant

Parent / staff reviews:

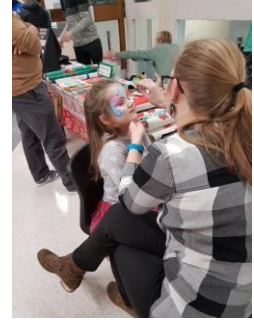

*'Every year the production gets better. You're very lucky to be teaching such talented young men (and women)'*

*The actors were so brilliantly brave; I particularly enjoyed the scene when Andre 2 had his first taste of blood!*

*'Better than Bugsy!'*

## Christmas Fayre

## British Psychology Society Conference

These two photos are from the Sixth Form's attendance to the British Psychology Society Conference: Psychology4Students. There were a large number of universities offering advice and insight into career paths in psychology. After an initial walk around the conference stalls, the students had four interesting lectures including one from a Conversational Analysis and one entitled Magic and Psychology. Most interesting of all Stephen Reicher, who spoke on Toxic Leadership and how Trump and ISIS use the same psychology to gain support and dismiss opponents.

## K Patel- Wins Merton Borough GOLD MEDAL!

On Sunday, K Patel (Year 8) competed at the Cheam Invitational Competition, hosted by Cheam Gymnastics Club. He competed on floor and vault against gymnasts from other local London Clubs, and he did himself proud and his coaches at Merton Gymnastics Club. He previously has achieved SILVER medals at this competition in the past. However, he only went and won the GOLD medal. Congratulations on this fantastic achievement.

## Gymnastics Team win GOLD!!

The CBSC gymnastics squad attended their 1<sup>st</sup> EVER borough gymnastics competition on Monday 4<sup>th</sup> December 2017, CBSC only went and WON! Well done to E Coombes whom lead the team to victory and took 1<sup>st</sup> place. The competition involved students taking part in two stages, which involved creating and performing a floor routine and completing two trampette passes which involved a number of the boys performing a [barani](#) and [front somersaults](#). This is a huge achievement for the boys, congratulations to them.

E Coombes- Year 7  
N Flowers- Year 7  
O Pace- Year 8  
K Patel- Year 8  
J Bridge- Year 8  
J Coombes- Year 8  
E Murray- Year 8  
W Wilkins- Year 8

## Sutton Supremo's

"Last Friday, 8 CBSC Sutton Supremo`s supported the Borough`s Primary School Futsal competition which was held at the Phoenix Centre in Wallington. The event was a great success with the support and leadership shown by the CBSC supremo`s, whom refereed all the futsal games throughout the competition. The supremo`s completed the Level 1 Football Leaders course in October, therefore they were able to develop the leadership skills they had learnt during the course throughout the futsal competition. Please congratulate the boys, on their continued commitment to volunteering within the community, #LEADINGBYEXAMPLE."

J Quansah, A Dunn, J Turner, O Green, M Lumbar, T Beavis, B Brown, B McLoughlin

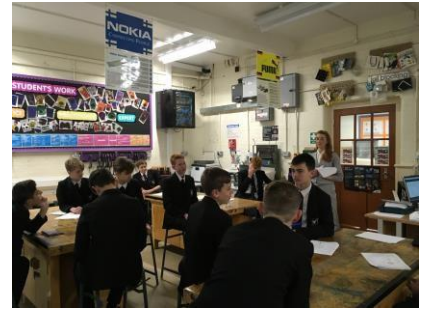

Last Wednesday, 15 CBSC Sutton Supremo`s supported the Borough Indoor Athletics competition which was held at CBSC. The boys did a fantastic job leading each of the stations, demonstrating and coaching the primary school students. The whole event took place over a 6 hour period and the boys continued to show enthusiasm for their station and competition throughout the day. Please congratulate the boys, on their continued commitment to volunteering within the community."

D Johnson, B Arram, Al Dunn, M Lumbar, J Turner, O Green, O El-Zeftawy, J Quansah, J Jeffreys, T Beavis, B Brown, B McLoughlin,  
Y Sabiri, J Willard, T Wilkins

## Product Designers

On Monday our Year 10 Product Designers took part in a brilliant, fast-paced design workshop looking at the “iterative design process” and how real-life problems are tackled by professional designers. The sessions were delivered by Alice Gregory of Reed Business Solutions in Sutton and she did a great job of inspiring and motivating the boys, with many of them surprising us with their innovative and original ideas. She was so impressed by our boys that she even agreed to sign up for the next D&D events and maybe even offer some WEX placements to our future budding designers.

## Max

You may have noticed a new addition, of the four-legged kind to the school recently. We'd like to introduce you to Max.

Max is working in CLIC as part of the work taking place with students who are in respite. Research has shown that reading to dogs can have a significant impact on children's literacy and confidence. Dogs have also been found to have a calming effect on students, which is very helpful when students are struggling with anger management.

Over the last few weeks, Max has been working in CLIC and is already having a positive impact. One student said that 'I live in flats and have never been allowed a dog'

## Parking in Winchcombe road

This term we have received a number of complaints from our neighbours in Winchcombe road about inconsiderate and illegal parking by parents and carers of our boys. There have been issues with cars parking; on the zigzag lines directly outside the school entrance, on the zebra crossing, on the double yellow lines, all of which are offences that can attract fines.

We have to react when we receive complaints and as a result we will be asking for the Safer Neighbourhoods team and parking control officers to patrol the road at the end of the school day.

Please can I encourage you to no longer drop off or pick up from Winchcombe road, especially directly outside the front of the school. For the sake of our neighbours and your ongoing journey, please can I encourage that you organise a meeting point at least 5 minutes' walk away from the school, in one of the surrounding roads.

If you have any questions, please do contact Phil Brittain via email - [contact@carshaltonboys.org](mailto:contact@carshaltonboys.org)

# Café Menu 11.12.2017

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
