

# Carshalton Boys Sports College Parent Bulletin

No. 13

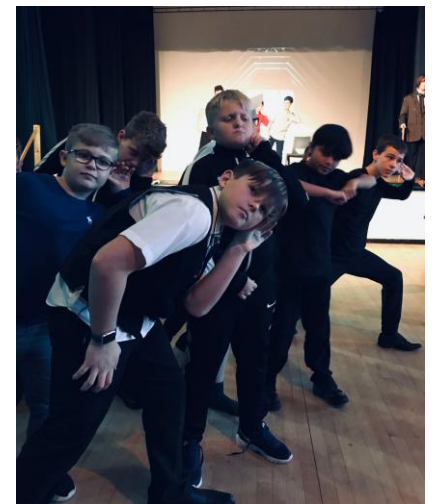

10<sup>th</sup> December 2018

## Oliver

Over 100 boys from Years 7 to 13 participated in our whole school production of Oliver. They were all amazing, but Josh (Y8), George (Y10), Denilson (Y10) and Lewis (Y13) sparkled particularly brightly in their roles of Oliver, Fagin, Dodger and Bill Sikes. Thank you to all staff who helped backstage and supported the performances.

We cannot wait for next year – Car Boys does The Greatest Showman.

## Christmas Fete

Thank you to everyone who took part or supported the Arts Christmas Fete and OLIVER! Last night. We had a really good turn out to both events and the parents were so impressed with the standard of acting and singing in OLIVER!

## New crossing installed thanks to Car Boys campaigners

The new crossing near the junction of Green Wrythe Lane and Welbeck Road was officially opened by some of our students earlier this week. It follows campaigns run by Citizenship students across several year groups. The crossing was approved after 18 months or so of campaigning to the local council. It has then taken at least that time again to go through the planning and consultation process. The crossing is much needed as many students cross the road at that point in order to use the 151 and 80 bus stop. This was despite the fact the road is very busy during rush hour times and despite the fact parked cars massively obscured visibility. There had been a number of close calls over the years where students narrowly avoided serious accidents. So while it may have taken time it is another example of our students bringing about positive change in the local community.

## Harry Potter Accelerated Reader Trip

On Tuesday 4<sup>th</sup> of December 30 students from year 7 and 8 visited the Harry Potter Tour at Warner Bros. Studios. These students were picked as they have achieved the highest word counts on the Accelerated Reader program. Many of them are huge Harry Potter fans and enjoyed every moment of discovering the secrets behind how the films were made.

They got to see parts of the real sets used in the films including The Great Hall, Dumbledore's Office and Diagon Alley. The boys also saw how snow is made for movies, and got a glimpse behind the scenes at how some of the wonderful creatures in the films are designed and brought to life.

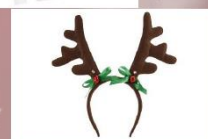

As always with our boys their behaviour was exceptional, and one couple from Australia commented on how superbly behaved and polite they were compared to other schools there! Hopefully this will continue to be a yearly event as the boys enjoy it so much.

## Following our student council POWER meetings this term on rewards, Carshalton Boys will be hosting a Christmas Themed Mufti Day

Jigsaw4u

### What?

In the POWER student council meetings this term, students voiced they would like a mufti day as one of the rewards. So this year we have decided to hold a Christmas themed mufti day in aid of three different charities (found on the next slide)

### Who?

All students

### How much?

If you want to take part you need to donate **£1** on the morning of Friday 14<sup>th</sup> December. This payment needs to be made in cash and should be handed to the school reception.

### When?

Friday 14<sup>th</sup> December

### Where will the money go?

By taking part, you will be helping to raise money three separate charities these include: Jigsaw4u, War Child and Macmillan Cancer Support (depending on your form group).

### What can I wear?

Anything Christmas related! This may include: a Christmas jumper; any item of red clothing or any Christmas themed accessories, for example a Santa hat. Students who do not wish to take part should wear their full school uniform. *If you have any questions please see Miss Slinger in A06*

## The Charities...

Form Group	Charity you will be giving to	Information about the Charity
C, E, F	War Child- This charity is for children affected by war.	<a href="https://www.warchild.org.uk/">https://www.warchild.org.uk/</a>
M, N, P	Jigsaw4U- Jigsaw4u is a charity that provides a wide variety of services across five London Boroughs. They Help children and young people across SW London and Surrey put the pieces back together following a bereavement	<a href="https://www.jigsaw4u.org.uk/">https://www.jigsaw4u.org.uk/</a>
R, S, W	Macmillan Cancer support- Provide support and advice for everyone affected by cancer, their family and friends	<a href="https://www.macmillan.org.uk/">https://www.macmillan.org.uk/</a>

There will be 3 buckets (one per charity) at reception on the mufti day (Friday 14<sup>th</sup> December) for students to put their £1 donation in on entry.

## Aimhigher, NCOP and Sussex News

### **Year 8 Making Choices at Sussex University**

On Friday 30<sup>th</sup> November 20 of our year 8 Making Choices students went to Sussex University for a taster day in Pharmacy. The day was very interactive and fun including giving students a chance to make paracetamol tablets and giving father Christmas a health check before his big trip this month. The students had loads of fun and gained a real insight into an interesting profession. Thanks to Mark Wood and Dior Lewis for accompanying them.

### **Year 9 NCOP visit to Goldsmiths University**

On Wednesday 5<sup>th</sup> December 21 of our year 9 NCOP cohort students went to Goldsmiths university for an introduction to university. Students got to meet student ambassadors, go on a tour of the campus and enjoyed an interactive media session in the afternoon. Thanks to Stephen Black and Caroline Cook for accompanying them.

### **Sussex Study Experiences**

Great news this week from Sussex. 12 of our students have been selected to take part in the intensive programme. The yearlong project includes a launch day, a careers day 3 Academic taster days and a graduation. We have had a few students involved before but this year sees record breaking numbers. This is a fantastic opportunity for our year 12 to engage themselves in a subject that they wish to study further at university.

Pharmacy	Kamil	Konstanciak
Physics	Euan	Watchorn
Business	Rhys	Jones
Law	Connor	Purton
English	Manuel	Papilson
Biology	Nicola	Faria
Biology	Shahid	Khan
Journalism	Laud	Gyasi
Pharmacy	Achish	Quansah
Chemistry	Alfie	Cross
Physics	Adam	Fontinelle
Journalism	Zack	Danquah

### **Aimhigher Upcoming events**

- Monday 10<sup>th</sup> Dec - University of Sussex Chemistry Day – year 12
- Wednesday 12<sup>th</sup> December inbound visit from NCOP coaches for year 12/13 – period 4 only
