

## Christmas Fair Wednesday 5<sup>th</sup> December

We are holding a raffle to raise money for our chosen charities The Lullaby Trust and Alzheimer's Society.

Our plan is to create a number of hampers that will be raffled off on the night of the fair.

This is where we need your help!!!

We are looking for donations to put into the hampers.

Anything with a long shelf life would be suitable e.g. chocolates and sweets, jam and chutneys, biscuits, Christmas puddings, crisps and nuts, hot chocolate, tea and coffee, tinned items such as fruit or soup, bottles of drink such as lemonade, squash, tonic water etc. (if alcohol is donated this will need to be dropped in by a person over the age of 18).

We would also be happy to accept any new toiletries such as shower gel, hand cream, bubble bath etc. Other ideas include Christmas socks, mugs, candles.

We will also need wrapping paper, gift tags, cellophane or baskets/containers that might be useful to make up the hampers.

All donations need to be sent to E12/16 and handed into Miss Dean or Mrs Hepburn.

We will be selling the tickets and displaying the hampers at the fair but pupils will also be able to purchase the tickets from us in school.

As well as our charity raffle, there will also be a range of other items available such as children's Christmas Eve boxes, chocolate sleighs and our popular Snowman Soup available on the evening.

Thank you in advance for your support, Food Technology Department.

## Stage Combat

On Tuesday 60 of our Y9 students took part in a series of 'Stage Combat' workshops designed to encourage team work, trust, creativity and build self-esteem. Many of the students involved were selected as a result of the EduKit Insight survey.

## Leading the Way for Surrey Schools Football

Congratulations to Steve Bosdet who was nominated and voted in to be the new Chairman of Surrey Schools Football. Steve will be responsible for developing the opportunities and provision for schools' football in Surrey. It is a great honour and we wish him well.  
The PE Department.

## England Vs USA

Thursday 15th November will see 50 students from CBSC visit Wembley to watch England Vs USA. CBSC was successfully nominated by our local MP Tom Brake for the tickets (Thanks Tom!). The boys are extremely excited with the opportunity to watch England at Wembley and this is a great example of positive community recognition for CBSC.

## Geography in Action Conference

We took our Year 13 Geographers & 7 of our aspiring year 11 geographers (planning on doing A Level Geography) to the Geography in Action Conference run by TTP at the Emmanuel Centre in Central London on Wednesday 7<sup>th</sup> November.

There were 5 different speakers, from varying geographical careers – talking about their research and adventures. The boys left suitably inspired and we talked about the day the whole journey home!

Speakers varied, from the infamous Dr Volcano (as seen on the One Show – Dougal Jerram) to Jason Lewis a sustainability advocate who has circumnavigated the world using on the power of the human body!!

**"Whatever you can do or dream you can, begin it. Boldness has genius, power and magic in it."**

A thoroughly enjoyable day for all!

## Surprise Me Homework

Over the half term we set the year 7s a "surprise me homework" where they could make anything they wanted as long as it was related to French/Spanish. We received some outstanding pieces of work ranging from home baked Spanish cakes, YouTube videos, French recipes, Spanish scooters, a homemade Barcelona football shirt and even a Spanish cereal box!

This is a great example of what our boys can produce when they get creative!"

### **Year 13 Photography**

On Thursday the Y13 photography students visited the National Portrait Gallery to hear photographer, film maker and broadcaster Simon Frederick give a talk about his current exhibition 'Black is the New Black'. His portraits celebrate the achievements of well - known black Britain's in politics, sport, culture and the sciences. Simon also discussed his experience as a young black man growing up in London and how the lack of black role models during this time inspired his career and body of work.

We also saw the Taylor Wessing Portrait Prize which showcases portraiture from amateur and professional photographers from around the world.

Lauren Avery

### **Year 9 Edukit**

Over the course of the academic year the Y9 Pastoral Team will meet informally over doughnuts and hot chocolate with different groups of boys in the year group. The first group of boys to be selected were done so based on the results of their Edukit surveys with a view to bolster self-confidence.
