

A Level Drama and Theatre: Performance Exam 2019

This week Y13 A Level Drama and Theatre students performed an extract from the play text *Abide With Me* by Barrie Keeffe. The play provides a voice to the children who grew up in care in Great Britain during 1970s trying to navigate their way through this period of recession; a pertinent subject for a contemporary audience.

Carshalton Boys Sports College

Winchcombe Road,
Carshalton, Surrey, SM5 1RW
Principal: Mr Simon Barber
Roll: 1400 with 200 in the 6th Form

"A good school... maintaining a culture of ambition" (April 2017)

Kitchen Porter Required asap

36 hours per week, Monday to Friday, 1 Year Fixed Term Contract
APT&C Scale 1/c3, Point 2 (£17,498 per annum)

We are seeking a Kitchen Porter to work in our busy school café. Duties will include cleaning, overseeing deliveries and general duties as directed by the Chef Manager. You must be friendly, extremely reliable and able to lift heavy loads.

This is a key role in an exceptionally busy part of the school and the successful candidate must be able to work as part of a team, as well as on their own.

Visits to the school are actively encouraged, as are initial discussions with Jo Long, HR Manager, which can be arranged by contacting the school.

Further details and an online Application Pack are available on our website www.carshaltonboys.org or alternatively phone 020 8710 3100 or email vacancies@carshaltonboys.org for these.

CBCS is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. All successful candidates will be required to undertake a criminal check via the DBS before they can be appointed

We recommend early applications as the school reserves the right to close the advert prior to the stated deadline date.

Closing Date for Applications: 10am, Thursday 28th March 2019

Interviews will be held: w/c 1st April 2019

Aimhigher News

Debate Higher at the RVC – Wed 6th Feb

Our year 10 Debate Higher students attended their third session yesterday at the RVC. The session was based around Ethics and Morals. They looked at the themes of cloning and genetically modifying humans and animals. Students were asked to give their own reasons whether we should test animals for human progression. Students were then divided into groups and given a role card to debate with the other students.

Our students were fully interactive and actively engaged in the topics and a credit to the school. Many thanks to Aaron Lever and Gaenor Don for accompanying them.

Doctor in school – Thursday 7th Feb

As part of her third day at CBSC Lashumi, our visiting trainee doctor from Kings College London, delivered a workshop to 80 students from year 7-10. The talk was very informative giving students an overview of what you need to do to prepare for an application to medicine and information about different careers within the healthcare profession. The students also engaged in a useful Q&A session at the end. Next week she will be working with some of our oldest students in smaller more interactive workshop.

You@18 – Wednesday 13th Feb

10 of our year 12 students attended the You@18 conference at St Mary's University this week. This was designed to give students an insight into progression routes with vocational qualifications and was also a chance to students to see St Mary's University which has always been popular choice for our students.

The Aim Higher conference aimed to give learners a clear understanding of the different pathways and options that they can progress onto from their current study; support learners to further develop the skills that they will need to successfully progress from education into higher level learning/training and give learners an understanding of the Academic and personal support on offer within university. Thank you to Stephen Black for accompanying them.

Doctors in school – Thursday 14th Feb

As part of her final day at CBSC Lashumi our visiting trainee doctor from Kings College London delivered a smaller workshop for students in year 11 and 12. This workshop was interactive and gave the students an insight into applying to medicine, what to expect in an interview and how to prepare your personal statement. There was also a useful Q&A session at end. We have really enjoyed having her in school and appreciated her input with our students.

UCAS convention – Tuesday 26th Feb

75 of our year 12 students attended the UCAS convention at Surrey University on Tuesday. It is a fabulous chance for them to speak to any of the universities they are interested in, ask questions, book open days and get prospectus.

Thank you to Ben, Brendan, Stephen and Allie for accompanying them.

Upcoming Aimhigher Events

- 8th March – Direction and Destinations day
- 13th March – Year 8 making Choices at Sussex University –Arts and Humanities Strand (20 students)
- 21st March – Geography Taster day at Kingston University (year 10 and 11)
