KNOWLEDGE IS POWER

For me that means, knowledge is the best power that you can have in yourself. Nothing can be more powerful than knowledge.

BLACK LIVES MATTER

For me that means, everybody is equal. Nobody should be judged because of his/her skin colour or where he or she comes from.

LOVE IS LOVE

For me that means, love is the only thing that we need because if there is no love, there will be hate. We have to be loving and kind to everyone.

FEMINISM IS FOR EVERYONE

For me it means that you do not have to be a woman to know woman's right. Everyone should be aware that women and men all have the exact same rights.

Feminism
is for
Everyone

NO HUMAN BEING IS ILLEGAL

For me that means, everybody is equal you can be whatever you want to be. For example you can be muslim or christian or another religion. (But it is not for only religions) But whatever you are, you are always a human.

**NO

BEING IS
ILLEGAL**

BE GENTLE WITH THE EARTH

For me that means, we have to protect our environment because it is our responsibility.

Be gentle with
the earth.

BE THE BEST VERSION OF YOURSELF

For me that means, all people should be very kind to each other. Because when we are kind the world will become more better place to everyone.

*Be the best
version of you*

BE REALLY KIND

That mean is we should be very kind to each other because being kind is what makes you human.
