March 2024

Headlines

Dear Students, Staff, and Parents & Carers,

This term has been a whirlwind of exciting events and valuable partnerships. We celebrated International Women's Day with engaging activities like News Day Tuesday and inspiring assemblies. Additionally, our annual Careers Day, "Directions and Destinations Day," was a resounding success, with students and agencies praising the takeaways. On another note, I am delighted to take this opportunity to emphasise the vital role parents and carers play in their child's education here at Carshalton Boys.

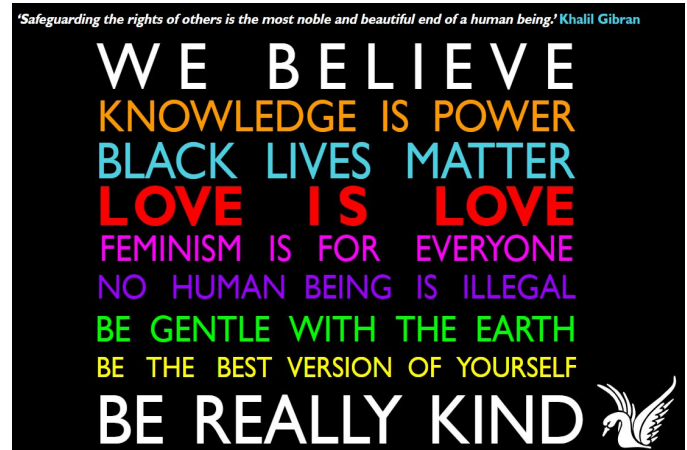

We believe that a strong partnership between home, school and child is fundamental to unlocking each student's full potential. This tripartite relationship fosters a supportive environment where both academic achievement and personal growth can truly flourish.

By working together, we can ensure our young people are well-equipped to navigate the challenges and opportunities that lie ahead, ultimately improving their life chances and shaping them into well-rounded individuals.

We are incredibly grateful for your continued support and encouragement, especially when our young people are faced with difficulties.

Your partnership is invaluable, and together we can make a real difference in the lives of our students.

We wish you a restful time over this holiday period.

Be Really Kind

Highlights From the Spring Half Term 2:

- Sixth Form Disneyland Paris Trip
- EcoReps Events
- Y10 Maths Feast - Raynes Parks High School
- Y10 University of Reading Scholars Launch Event
- House of Commons POWER Trip
- KS4 Spanish BFI trip
- Y9 Drama Old Vic Theatre - 'Just For One Day'
- National Offer Day for new Y7s
- Jack Petchey Speak Out Regional Final
- World Book Day
-
- Directions & Destinations Day
- Y9 Science Museum Trip
- Sixth Form Economics Event, ECONPLUSDAL workshop
- Y8 Biology Trip - RSPB Pulborough
- Y11 Media Revision Trip to BFI
- Y10 Rose Theatre Trip - Macbeth
- Y12 Geography Rengen Trip to the Olympic Park
- Sixth Form Music Trip - Les Miserable
- Y12 Spanish Trip to BFI
- Y7-9 St Martin's Theatre Trip - Mousetrap
- Y8 Rewards Trip - Globe Theatre
- Y12 Aerospace Careers Workshop at Wilson's
- Battle of the Bands

End/Start of Term Arrangements

End of Term

We have staggered dismissal times for the end of term, please read the information below carefully. If you have any questions about end or start of term arrangements, please email contact@carshaltonboys.org

Thursday 28th March

Time	Activity
Period 1	All years in normal lessons
Period 2 And And	Y7-10 in normal lessons Y11 Rewards assembly <i>Students will be dismissed directly from the assembly approx. 10.55</i> 6th Form and Y10 will be dismissed at the end of Period 2 (10.55)
Break	Break time for Y7-9 and Free School Meals students
Period 3	Y7-8 in normal lessons Y9 Assembly <i>Students will be dismissed directly from the assembly approx. 11.55</i>
Period 4	Y7 Assembly - Sports Hall <i>Students will be dismissed directly from the assembly approx. 13.00</i> Y8 Assembly - Main Hall <i>Students will be dismissed directly from the assembly approx. 13.00</i>

Start of Term

Monday 15th April

Students are expected to be in school on **Monday 15th April 2024 by 9.40**

They will be asked to get into **Fire Drill Positions between 9.45am-9.55am** and they will be in Period 2 as normal from 9.55am.

Please ensure your child is in full CBSC uniform and that **ALL uniform is named/labelled** ahead of their return in the new term. Students also **MUST have their essential equipment in their pencil case**. You will find this information outlined on the following page, and in the start of year newsletter on our website [HERE](https://www.carshaltonboys.org)

Uniform & Equipment

We've noticed an increase in issues with following the school uniform and equipment guidelines this term. We previously outlined these expectations at the beginning of the term (September edition) and below for your reference.

To ensure a consistent learning environment, students who repeatedly come to school without the proper uniform or missing essential equipment will be subject to appropriate consequences. However, we understand that unforeseen circumstances may arise. If you have a valid reason for not meeting the dress code or missing equipment, please get prior approval from your Head of Year or PSO.

Equipment Expectations

Please ensure your child has the following in their school bag everyday

Full (essential) school equipment inside a pencil case:

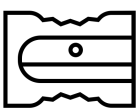

Essentials

- 2 black or blue pens
- 2 Pencils
- Rubber
- Sharpener
- Ruler

Desirables

- Highlighters
- Some colouring pencils
- Maths set
- Calculator

It is also helpful for students to have a pair of headphones with a cable and jack to use in music lessons

Uniform Expectations

Please ensure your child has the following CBSC School Uniform:
Black Leather School Shoes (*trainers are not acceptable. Any student not wearing correct footwear will be provided with a pair of leather shoes to wear for the day*)

CBSC School Blazer

Black Trousers

Black Skirt (*must be of an acceptable length to allow involvement in a wide range of activities during the school day, but maintain modesty. Hem must be on or close to the knee*)

White Shirt (*short or long sleeved*)

School Tie

CBSC School Coat (*for colder/wet weather*)

CBSC School Jumper (*Optional*)

Note, the blazer must be worn at all times, unless students have permission to remove.

PE Kit Expectations

CBSC PE Shorts

CBSC PE Top

Trainers

If your child is not able to participate in PE, they are still required to bring their FULL CBSC kit with them for their timetabled PE lessons. *Sick or fit, bring your kit!*

Jewellery

Jewellery is not permitted, including earrings. Students will be asked to remove these

Student Services

Left your pencil case at home? Lost your tie the night before at a fixture? Left your school shoes at home?

Students will be able to borrow items for the day. They must collect this between 8-8.20am

Year 7 Student Services will be in the English Block

Year 8 Student Services will be in the Science block

Year 9-11 will go to the room next to the Mezzanine

Trips & Events

Battle of the Bands 2024

The Battle of the Bands contest on March 21st was an absolute triumph, showcasing the remarkable talent and sheer dedication of our student musicians. In the weeks leading up to the event, these students went above and beyond, pouring countless hours into practice sessions to ensure their performances were nothing short of extraordinary. When they finally took to the stage, their hard work and passion were palpable, captivating the audience from start to finish. From the soulful melodies to the high-energy beats, each participant delivered a stellar performance that left the crowd amazed!

Special thanks are extended to all the students who took part, including Nathaniel Flowers, Ethan C, Harley G, Calum J, Noah S, Tyrese J-E, Frey D, Harry N, Patryk N, Joseph P, Thomas R, Noah W, Samuel W, Kayden M, Jaylen M, Christian E, Teddy T, Jasper P, Ronnie W, Elden D, Xander F-L, Charlie N and Ellis M.

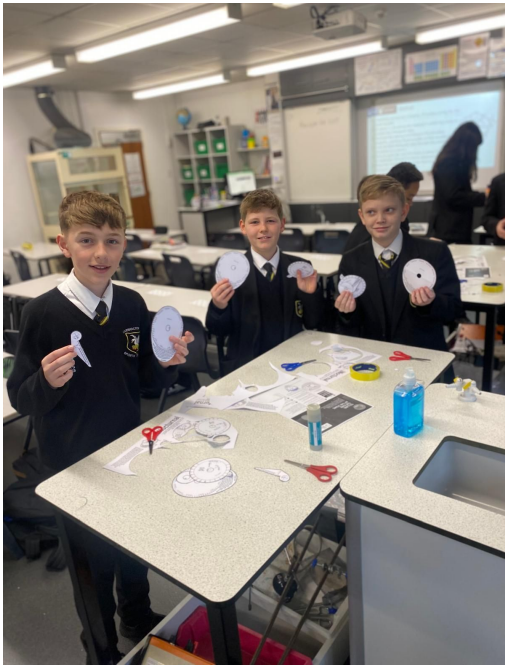

Additionally, heartfelt appreciation goes out to those who provided invaluable support behind the scenes: Samuel H, Samuel W, Samuel B, Osaze I, Joshua A, and Mr. Avery! Also a mega thanks to those who ran the refreshment stall and helped with filming and photography! Their contributions were instrumental in making the event a resounding success!

Trips & Events

Science Museum Trip & Science Week

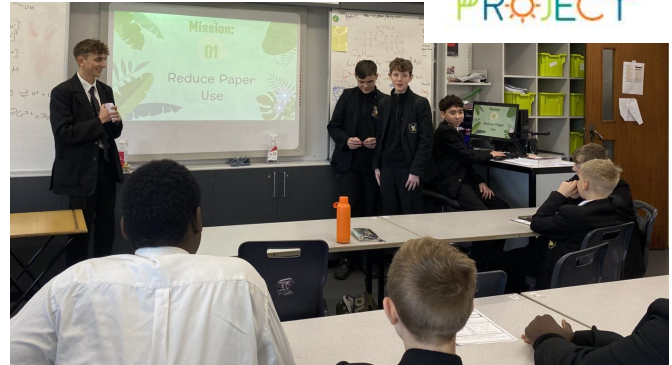

Trips & Events

Eco Reps - Zero Carbon Schools

Our Eco Reps have been busy presenting their action plans for the Zero Carbon Schools Programme to Bethany, our Green Schools lead. Bethany was very impressed with their commitment and has taken their pitches as inspiration for other schools in the local area. Stay tuned for updates as they dive into their projects!

<https://www.greenschoolsproject.org.uk/>

Les Miserable Trip

On 19th March, a group of students from the CBSC sixth form went to see the long running west end musical Les Miserables. They were all impressed by the beautiful Sondheim theatre, clever staging and amazing singing. A fantastic experience and highly recommended!

Trips & Events

Half Term Disneyland Paris Trip

Over February Half Term a group of sixth formers went to Paris with Miss Hennell and Mr Szreider! The trip consisted of 4 action packed days with non-stop activities from sightseeing to theme parks to academic workshops and seminars.

Day 1: Students were at school bright and early ready for a big day of travel with the coach journey and the ferry across to Paris. Once we arrived in France we settled into our hotel, had a quick trip to the shops and then went into Disney Village for a first sneak peek at Disney and some dinner!

Day 2: Paris! We had a very big day in Paris with an early start and a day full of shopping, eating and sightseeing. Students have got to experience the Eiffel Tower with a trip to the top floor with a stunning 360 degree views of Paris. Sights were also visited such as Sacré-Cœur, Arc De Triomphe, Place de la Concorde and Moulin Rouge! We hit the famous Champs-Élysées for some shopping as well as the souvenir shops and crêperies of Montmartre. We finished the evening with a group dinner of pizza whilst sitting on the trocadero with a beautiful view of the Eiffel Tower as it lit up and sparkled.

Day 3: Disneyland! A combination of both work and fun as the academic portion of the trip takes place in the cinemas with industry professionals from Disney delivering seminars and workshops in Maths, Business and Media for our students. It was a great experience for students to not only hear from people with real world experience in one of the largest companies in the world but also for them to get hands on experience building rollercoaster plans in the maths workshop and planning and pitching advertising campaigns in the Media and Business workshops! When students weren't developing their knowledge and skills they were having the best time in Disneyland and Walt Disney Studios with rights, shows, parades, character visits and all the magic that Disneyland can give! We finished the evening with the magical firework and light show in front of the Magic Kingdom castle which was absolutely spectacular.

Day 4: We spent the morning in Disneyland going on some more rides and saying a final goodbye to Mickey Mouse before getting on the coach back home and getting the ferry back to school! Some very tired students & teachers after a very busy week but lots of fun and memories to bring back.

Trips & Events

Student highlights:

- Getting to go down the Champs-Élysées and do lots of shopping
- Going on a rollercoaster for the first time ever
- First time leaving the UK!
- Eating pizza with my friends and watching the Eiffel Tower sparkle, a very surreal night!
- Going up the Eiffel Tower
- Making new friends
- Hanging out with our house group in the kitchen and making food and just hanging out
- Challenging myself to go outside my comfort zone and do things that I wouldn't usually do

Miss Hennell has opened spaces for next year's Paris trip already and if you will be a sixth former next year and would be interested in going to Paris during February half term 2025 then you can secure your space now with a deposit on Wisepay, see Miss Hennell or email bhennell@carshaltonboys.org if you have any questions!

Directions & Destinations Day 2024

Every year, Carshalton Boys Sports College explodes with energy during our amazing Directions and Destinations Day! This immersive careers event engages every student across the school, providing them with valuable access to a diverse range of career experiences. From workshops to our bustling careers fair, the day is packed with opportunities, all thanks to the incredible support of external partners. Their dedication in arranging workshops and hosting stands is truly what makes this event such a resounding success.

Year 7

Opportunities to explore our Careers platform Unifrog, to access bespoke careers advice and understand the broad range of careers out there.

Year 8

Unifrog and pathways session: understanding how their choices now may influence their career paths later down the line. Students also had the opportunity to really discuss and explore the pathways process as a tutor group, and they also had interactions with employers, colleges and universities via a visit to the careers fair.

Year 9, 10 & 12

students involved in a range of workshops to help them experience and understand their futures. Students also got to visit the careers fair, allowing them access to employers, universities and colleges.

Directions & Destinations Day 2024

Jamie's Farm

<https://jamiesfarm.org.uk/>

JAMIE'S FARM

Our third visit to Jamie's Farm and it was an outstanding success. The students enjoyed getting stuck in to some hard work on the farm including feeding animals, chopping the wood and cooking our delicious breakfast lunch and dinner daily. When they weren't out on the farm they managed to fit in jumping in the mud, basketball and a mini chess tournament and they all came home tired but feeling that they had experienced something memorable.

Jamie's Farm

<https://jamiesfarm.org.uk/>

Food Tech

Head of Dept. Jackie Dean
jidean@carshaltonboys.org

It's been another busy term in the Food Department. Year 9 and 10 have been continuing to develop their practical skills including making dough balls and dips, a roux sauce, scotch eggs, homemade crumble, and custard made from scratch. There have been some fantastic outcomes.

Year 7 and 8 have been completing their rotation in Food and it has been lovely to see so many recipes being cooked again at home. Thank you to those sending in photos of the dishes produced, it's been great to see you enjoying the dishes together.

We've also been chosen as 1 of 300 schools to have received 12 tins of Alaska Pink Salmon donated by Alaska Seafood UK. We are looking forward to including this in some of our recipes next term. At a time when ingredients are so expensive, this was a welcome donation.

We have also been supporting #lovefoodhatewaste and pupils have been given a range of ingredients to create their own rice or pasta-based dishes using the ingredients available. There have been some fabulous dishes produced using a range of vegetables, herbs and spices, meat, and fish. We were impressed with their efforts.

Watch out for details of the Food and Literacy Competition being run in conjunction with the English Department. Pupils in Year 7-9 can win a meal out in a local restaurant. We are looking forward to hearing about your favourite food experiences.

We've had 40 pupils across two sessions learning about Chinese Culture, how to make dumplings and how to season them using Lee Kum Kee sauces. Thanks to Fun: Healthy Chinese Cuisine Ambassadors who give up their time to come into school and pass on their skills.

Next steps - those that have learnt these skills will be teaching their peers over the next couple of weeks.

Check out their recipes here:

https://www.funchinesecooking.com/en_uk/home.html

Drama

Head of Dept. Alix Clarke
AClarke@carshaltonboys.org

Year 7 - Drama

In lessons pupils have been exploring different play texts as well as creating their own performances – well done Y7!

Year 8 - Dance

Y8 students have been trying out Dance this year. For a little taste of what they have been up to, find a video [HERE](#)

Year 9 - Old Vic - Just for One Day

Year 9 have been lucky enough this term to visit the Old Vic to see their new production 'Just for one Day'. In addition to this, facilitators came in to deliver a workshop based on use of sound in the theatre. Well done year 9 for your professional conduct.

Drama Enrichment - Page to Stage Production

Students from CBSC's Page to Stage enrichment club hosted an afternoon of theatre for friends and family on the 11th March. Taking short extracts from a range of shows, pupils performed with professionalism and confidence – well done all

YEAR 7

Head of Year: Mr Wadman
Pastoral Support Officer: Miss Awolope
LeadershipYear7@carshaltonboys.org

To all our parents, carers and students,

It has been another wonderful term with lots to celebrate and recognise across the board, with lots more exciting things to look forward to.

The trip to the theatre to see Agatha Christie's 'The Mousetrap' for some pupils at the St Martin's Theatre was an excellent opportunity for pupils that are a part of Mr Kelly's enrichment programme.

Our sports teams have continued to enjoy huge success this term. Successes in our football team and rugby tours have shown resilience and passion from our pupils in all that they do. A huge well done to all who have participated in the events and we wish them lots of luck in their future fixtures!

World Book Day 2024 gave our top readers in our Sparx Reader programme the opportunity to be recognised for their outstanding work this term. Sparx Reader has continued to be a huge success this term and several of our students have spent several extra hours reading each week to widen their breadth of knowledge. It has continued to prove the determination of the pupils and show their drive to do well in their studies.

Bushcraft Camping Trip 2024

In July, some of the pupils will be embarking on their camping trip to the Bushcraft Camping Company. We will release more information over the term and provide parents and carers with lists of items needed for the trip and a remote information session with the company.

Other upcoming events:

- **STEM Karting**
- **Trip to the Natural History Museum**

A huge well-done to each and everyone of our Year 7 pupils, who are now two thirds of the way through the year. You have all achieved lots of wonderful things this term and we continue to be proud of each and every one of you.

LeadershipYear8@carshaltonboys.org

Dear Parents/Guardians of Year 8 Students,

We hope this newsletter finds you well! We have some fantastic updates and upcoming events to share with you regarding our Year 8 students:

Nature Exploration at Pulborough Brooks: Our Year 8 students recently had an enriching experience at Pulborough Brooks nature reserve, which is part of the RSPB (Royal Society for the Protection of Birds). They conducted fieldwork, observed wildlife, and learned about the importance of conservation efforts firsthand.

Inspiring Visit to Jamie's Farm: Another group of Year 8 students embarked on an unforgettable journey to Jamie's Farm. This hands-on experience allowed them to engage with nature, animals, and farming practices, fostering personal growth and resilience.

Reward Trip - Romeo and Juliet Theatre Production: We're thrilled to announce that our Year 8 students have an exciting reward trip coming up! As a token of appreciation for their hard work and dedication in their Year 8 tutor groups during PSHE (Personal, Social, Health, and Economic education), they will have the opportunity to see a theatre production of Romeo and Juliet. This promises to be a captivating and memorable experience for all.

PGL Trip in May: The eagerly anticipated PGL trip for Year 8 students is in its final planning stages. This immersive outdoor adventure, scheduled for May, will provide students with opportunities for team building, outdoor activities, and unforgettable memories. Stay tuned for more details!

Year 9 GCSE Options: the school recently hosted the annual Year 8 pathways evening where students and parents were given the information needed to start choosing GCSE options for next Year. If there are any questions surrounding GCSE options for next year please don't hesitate to contact Mr Norton by emailing Leadershipyear08@carshaltonboys.org. We appreciate that whilst this is an exciting time, it can present some difficulty in terms of knowing which subjects to choose. We are keen to assist in any way possible.. If you have any questions about Unifrog, please email hbaker@carshaltonboys.org

We're incredibly proud of our Year 8 students and their enthusiasm for learning and exploration.

If you have any questions or require further information about any of the mentioned events, please don't hesitate to contact us.

Thank you for your continued support.

unifrog

Is your child unsure about their future career path? Unifrog can help! This online careers tool is a valuable resource for students to explore their options.

Unifrog offers two powerful search methods:

- **By Career Path:** Students unsure of their ideal job can explore different fields and discover the relevant subjects needed for success.
- **By Subject:** Students who enjoy specific subjects can find related careers and see what additional skills or supporting subjects might be beneficial.

This exploration empowers young people to make informed decisions about their future education and career paths.

If you have any questions about Unifrog, please email hbaker@carshaltonboys.org

LeadershipYear09@carshaltonboys.org

Dear Parents/Guardians of Year 9 students

As we approach the end of another half term, we'd like to take a moment to reflect on the exciting events and achievements of our Year 9 students.

Highlights of the Half Term

Theatre Trip - 'Just For One Day': Our Year 9 students had the incredible opportunity to attend a performance of 'Just For One Day' at the prestigious Old Vic theatre. It was a captivating experience that enriched their understanding of the performing arts and left a lasting impression on all who attended.

Directions and Destinations Event: Our Year 9 students showcased exemplary behavior and enthusiasm during the Directions and Destinations event. They had the chance to explore various career paths, speak with representatives from colleges, universities, and companies, and attend workshops tailored to their interests. It was an invaluable opportunity for them to start thinking about their future aspirations.

Inspiring Visit to Jamie's Farm: Another group of Year 9 students embarked on an unforgettable journey to Jamie's Farm. The students thoroughly enjoyed themselves and have memorable experiences to last a lifetime. This hands-on experience allowed them to engage with nature, animals, and farming practices, fostering personal growth and resilience.

Upcoming Theatre Trip - 'Mousetrap': We are thrilled to announce another exciting theatre trip for some Year 9 students to see 'Mousetrap'. This promises to be a thrilling experience, and we can't wait to see our students engage with the world of theatre once again.

Our Year 9 students have demonstrated exceptional dedication and effort during their recent assessments across all subjects. Their hard work and enthusiasm for learning have been truly commendable, and we are proud of their achievements. We encourage students to continue working diligently as they prepare for their upcoming assessments.

As we approach the half term break, we encourage students to take some time to rest and recharge. It's essential for their well-being to strike a balance between academic commitments and relaxation. We would like to remind parents and guardians of the importance of regular attendance and active engagement in school activities. Your support plays a crucial role in your child's academic success and overall development.

Thank you to all parents, guardians, and students for your continued support and cooperation. Together, we can make the Summer term even more successful and fulfilling for our Year 9 students.

Wishing you all a restful and enjoyable half term break.

Kind regards

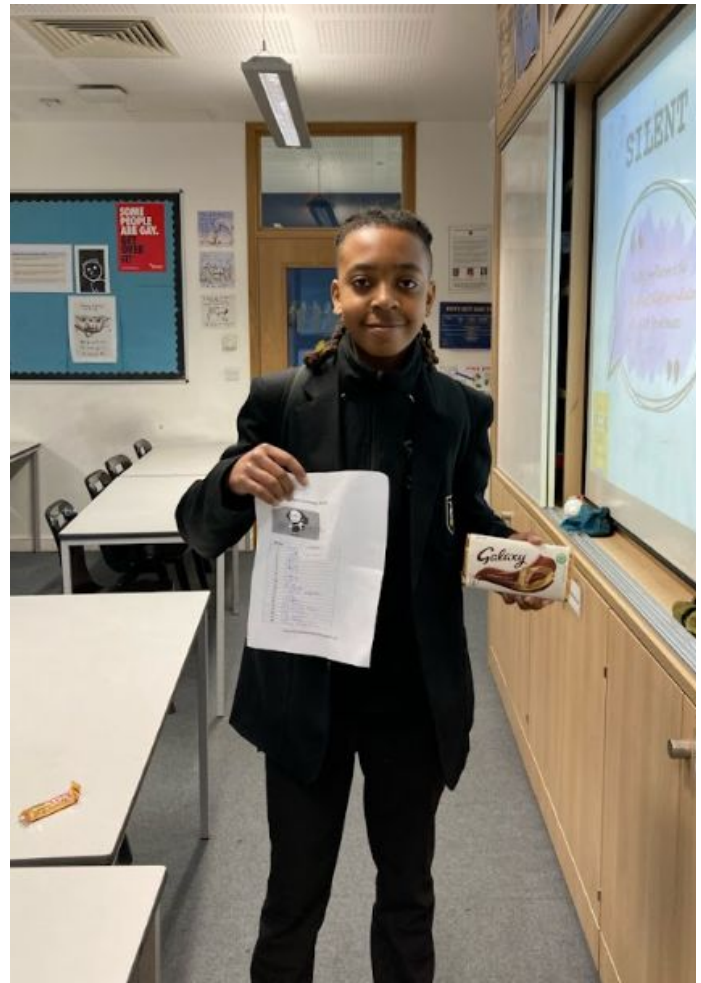

Mr Szreider

The Half Term In Photos

The Half Term In Photos

YEAR 10

Head of Year: Miss Torpey
Pastoral Support Officer: Ms Garcia & Miss Ellen
LeadershipYear10@carshaltonboys.org

Dear Parents/ Guardians of Year 10,

We are thrilled to announce that we are now on the road to Year 11, just six months away! This is an exciting time filled with anticipation and positivity as we embark on this journey together. As we enter the final term of Year 10, let's keep our focus on the road ahead, ensuring that our students are well-prepared and organized for the challenges that await them.

Over the next term, we will be working closely with you, alongside our dedicated tutors, to perfect the basics and lay a strong foundation for Year 11. Together, we will ensure that your child is equipped with the skills and knowledge needed to excel in their studies.

To assist you in preparing your child for Year 11 over the next six months, here are five key points to consider:

Set Clear Goals: Sit down with your child to discuss their academic and personal goals for Year 11. Encourage them to set specific, achievable targets that will motivate and drive them forward.

Develop Effective Study Habits: Help your child develop effective study habits and routines. Encourage them to establish a consistent study schedule, with dedicated time for homework, revision, and relaxation.

Organize Study Materials: Assist your child in organizing their study materials, including textbooks, notes, and resources. Create a designated study space that is free from distractions and stocked with all the necessary supplies.

Seek Additional Support: Identify any areas where your child may need extra help or support. Consider arranging tutoring or seeking assistance from teachers to address any challenges and reinforce understanding.

Prioritize Well-being: Remind your child of the importance of self-care and well-being. Encourage them to maintain a healthy lifestyle, with regular exercise, sufficient sleep, and balanced nutrition, to support their overall well-being and academic performance.

As always, we are immensely grateful for your continued support. Together, we will ensure that they are ready to tackle the challenges and opportunities that Year 11 will bring.

Thanks,

Miss Torpey

LeadershipYear11@carshaltonboys.org

As you stand on the brink of your GCSE exams and prepare to bid farewell to Year 11, take a moment to reflect on the incredible journey you've embarked upon this year. You've shown resilience, dedication and unwavering determination in the face of challenges. As the final hurdle approaches we urge you to summon the strength from within, to stay focused and consistent in your efforts. Remember, it's not about the sprint but the marathon. Stay committed to your studies, revise diligently and trust in the knowledge and skills you've acquired thus far.

In moments of doubt, remind yourselves of how far you've come. Think of the late nights spent pouring over textbooks, the challenging assignments you've conquered and the countless times you've pushed past your comfort zones. You are capable of achieving greatness and nothing can deter you from reaching your full potential if you truly want it.

As you prepare to embark on the next chapter of your journey, know that you carry with you the pride and admiration of everyone who has witnessed your growth. We wish you every success in your exams and beyond. May your hard work be rewarded, your dreams be fulfilled and your future be bright. Remember, you are amazing, and we are incredibly proud of each and every one of you.

Stay safe.

Miss McGrath and Mrs Thompson

Year 12

Academic Update

It is a pleasure to write about the academic progress of our year 12 students over the course of the last term. Year 12 started off this term with their first set of sixth form mock exams and displayed real maturity and resilience during some tough assessments.

Those mock exams have proven to be a strong springboard for the remainder of the term with students working hard on filling their knowledge and skills gaps in response to the exam feedback.

We have also launched our year 12 ASPIRE group. We have had several sessions covering marginal gains, study buddies with year 13 students and examiner reports.

As we head into the Easter break our year 12 cohort are working hard for their AS exams and we have also celebrated excellent results in the vocational exams completed in January.

Pastoral Update

It has been a really successful second term for Y12 who continue to impress us with their motivation and drive to be successful.

Students have completed some engaging and interactive PSHE sessions on topics such as Healthy & Unhealthy Relationships, Managing Anger & Frustration as well as recap on Healthy Eating. These sessions along with assemblies celebrating International Women's Day will aid the holistic development of our Y12 students.

After Easter we look forward to the exam period for those involved in AS or vocational assessments and will support students with deep learning sessions as well as group and individual exam stress workshops.

Sixth Form

Year 13

Academic Update

For our amazing year 13 students the end is in sight with the exam series around the corner. Following the recent mock exams many students have a real sense of purpose and understand what final tweaks they need to make to their academic journey to secure the outcomes they want to achieve in the summer.

The A level exams start mid May and continue throughout June. Exam stress is a very real experience and our students are managing their time well so far. In these final weeks it is key that students have a strategic academic plan for revision and focus on the skills and knowledge gaps that will make a real difference to their final grades.

We always feel our time is too short with our students and this term has gone by exceptionally fast. I know the whole sixth form team has really enjoyed seeing our students transform from nervous year 11 students into the young men and women going out into the wider world very soon. Good luck Year 13!

Pastoral Update

Our Y13 students have just experienced their final full term at CBSC and are about to embark on their final exam series after Easter. The effort and endeavour they have shown has not gone unnoticed and all students will continue to be supported by the entire 6th form team. A big thank you goes out to all of our Academic Learning Mentors who continue to support students in both small group and individual sessions.

Y13 PSHE sessions this term have focussed on the Dangers of Gambling, Unhealthy Relationships and Consent as we look to prepare students for life away from CBSC. Assemblies have celebrated International Women's Day as well as Exam Preparation and the Dangers on a Night Out.

Students have prepared for the exam series very well with a series of excellent NEA marks while they have also had the thoughts of final UCAS choices and Student Finance going live.

We look forward to another successful exam series as well as celebrating with all Y13 at a final leavers assembly in July ahead of results day in August.

Sixth Form Results Day Thursday 15th August 2024 8am - 11am

GCE – A Level Results will be available for collection from school in person between **08:00 and 11:00 am** on **THURSDAY 15th AUGUST 2024**

GCE – AS Level Results will be available for collection from school in person between **09:30 and 11:00 am** on **THURSDAY 15th AUGUST 2024**

UNCLAIMED RESULTS will be posted to your home address. You should receive them on **FRIDAY 16th**

Please make sure that the school office has the correct address

Year 13 transition consultation may be required with 6th Form Team, between 15th August (all day) and 16th August (until 1pm). The 6th form team will be available to provide UCAS support & guidance

We will update any changes on the News Page on the Website [HERE](#)

Y10 University of Reading Scholars

Our year 10 University of Reading Scholars had their launch visit to the University in February. The students got a chance to have a look round the university, including lunch and took part in two study skills sessions. Next term they will be working on their projects and have two more study skills sessions here in school. They will then have a chance to be invited back for graduation in June.

Y12 UCAS Convention

UCAS

Over 90 students visited the UCAS Convention at the Excel conference venue in London. A huge number of universities are represented at this event and students find it really useful to plan their next steps.

After the event year 12 were given the following tips:

1. *Research courses you are interested in in more detail - add them to UNIfrog during Academic Enrichment*
2. *Book a couple of open days for your favourite places*
3. *Contact any universities with any questions you have*
4. *Make sure you are working on things to add to your Personal statement*
5. *Work hard - your year 12 exams count towards predicted grades*

Y13 UCAS Next Steps

After a week of mock exams many students are now confirming their Firm and Insurance choices for university.

They have been given the following tips.

Making decisions about your next steps should be done with careful consideration.

- Are you on track to get the grades required?
- Is your insurance lower than your Firm?
- Have you been to visit?
- Is it the best course for you?

We like to support you through the decision making process with useful discussions about your current working grades and predictions. These are due to be updated over the next few weeks following your mock exams. We want you to be excited and happy on results day because you have achieved a place at university and want to avoid clearing for as many of you as possible.

Please take the next few weeks to consider your options carefully. There is a form that you should fill in and then discuss with your subject teachers. You then come to Mrs Ellis to talk through your final decision.

Please check your final deadline for replying to universities - for many of you this will be 6th June.

This UCAS link may be useful

<https://www.ucas.com/connect/blogs/replying-offers-%E2%80%93-your-questions-answered>

Two other points to remember

1. Applying to student finance - this goes live end of March
2. Booking accommodation - this will be done directly with your firm choice university.

Medic Mentor Conferences

For aspiring Doctors: FREE LIVE VIRTUAL Get Into Medicine conference dates:

Sunday 14th April from 9:30am - 3:30pm

- <https://airtable.com/appgXnyzN5ZD9lwk6/shry7MZYtt3MGPjvO>

For aspiring Dentists: FREE LIVE VIRTUAL Get Into Dentistry conference date:

Saturday 23rd March from 9:30am - 3:30pm

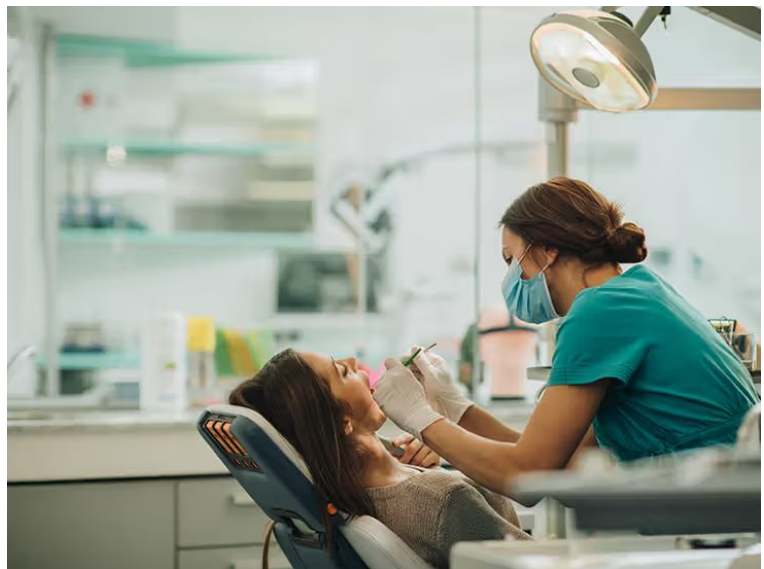

- <https://airtable.com/appgXnyzN5ZD9lwk6/shry7MZYtt3MGPjvO>

The conference will dive into the specific qualities and experiences that admissions committees love to see in a personal statement, and most importantly, how to make sure students obtain these experiences in time for their application.

We will also explore:

- Tactically choosing universities
- Entrance Exams: UCAT
- Medical school interview skills
- Medical Leadership Programmes
- Medical Awards Programmes
- Extracurricular activities
- Work experience
- Building a medical CV
- Applying for scholarships to study medicine

The aim is to equip aspiring medical and dental students with the tools to sidestep common mistakes and pitfalls and ace their application to university. Students aged 14 - 18 are invited to attend with a parent or guardian, equipped with a working camera and microphone.

SOAS Summer Schools

Year 10 Summer School: 24th-28th June 2024, 10:00am-3:00pm

- The Summer School is designed to give Year 10 students a first-class introduction to higher education. Students will work closely with SOAS students and complete a group project with peers. There are three pathways for students to choose from:
 - Time Traveler's Trail: uncover the past, ponder the present and forge the future (sessions in this pathway will include History, Philosophy, Anthropology/Sociology, and Economics)
 - Justice and Creativity Expedition: where art meets justice and change beings (sessions in this pathway will include Law, Art, and Global Development)
 - Culture and Power Voyage: embark on a journey of cultural exploration, political insight and financial literacy (sessions in this pathway will include Politics, Languages & Cultures, and Finance)
- Students can apply individually or school's can register interest in bringing a group of 10 students
- More information and application forms can be found - [Year 10 Outreach Summer School 2024 | SOAS](#)
- **Deadline for applications: 26th April 2024**
- Organiser Contact Details: apss@soas.ac.uk

Aimhigher
London

Year 12 Summer School: 15-19th July 2024, 10:00am-4:00pm

- During the summer school students will attend lectures delivered by leading academics, debate key issues, engage in study skills sessions and find out more about university life and the UCAS process. There are three pathways to choose from:
 - Cross-Cultural Connections – Exploring History, Philosophy, Arts and Languages & Cultures
 - Thriving Futures – Exploring Economics, Finance and Global Development
 - Law and Society – Exploring Law, Anthropology and Politics
- More details and an application form can be found - [Year 12 Outreach Summer School 2024 | SOAS](#)
- **Deadline for applications: 26th April 2024**
- Organiser Contact Details: apss@soas.ac.uk
- Flyer attached to put up in common room or other suitable location

Finance Masterclass (Year 12 and 13) - 10th April 2024, 1:00 - 4:00pm

- The world is full of uncertainties, such as natural disasters, pandemics, and wars. The stock market reaction to a shock can reveal the severity of its economic impact. How do we quantify such an economic impact? In this lecture, we introduce you to the event study method, often used in finance. We use a corporate example to illustrate how we can measure the change in a firm's stock market value in response to an important corporate event.
- More details and application form - [Finance Masterclass for Year 12s and Year 13s | SOAS](#)
- **Deadline for applications: 27th March 2024**
- Organiser Contact Details: Simon Tullett - st92@soas.ac.uk

Sparx Maths

Sparx Maths is more than just a program; it's an interactive, personalised learning platform designed to ignite students' passion for mathematics while enhancing their understanding and confidence. With Sparx Maths, every student has the opportunity to excel at their own pace, tackling concepts tailored to their individual needs.

Well done to the boys who have gone above and beyond the maths WOTC that is set and who have achieved extra XP Points for all of their efforts. The Sparx board in the maths corridor is updated monthly to recognize the students achievements.

Sparx Maths

KS3 Leaderboard

Sparx Reader

We are so proud of our KS3 students who have really embraced the power of Reading since September. A huge thank you to the parents and carers who are supporting their children with Reading at home.

This term we have issued many skip the queue passes and had rewards events for students/tutor groups who have read the most. Students who have shown excellent dedication to their SPARX Reader will also receive a reward during the end of term assemblies.

Happy reading everyone!

If you have any questions about how to encourage your child to read, please contact jkelly@carshaltonboys.org or have a look at some of the information about reading in our previous newsletters [HERE](#)

KS4 Study Hub

Staff Lead: Hannah Baker
hbaker@carshaltonboys.org

We have been updating the KS4 Study Hub this term

The Study Hub is a one-stop-shop for all things exam and coursework preparation for our students in KS4.

This includes:

- Textbooks
- Past papers & Mark Schemes
- Lesson Resources
- Revision materials & videos
- Memory maps
- And much more

We are continually updating this and adding new subjects

Please note, this is a closed website and can only be accessed by staff and students with @cbsc.co.uk Google accounts. It will require you to sign in to access. If you have any questions, please contact hbaker@carshaltonboys.org

<https://sites.google.com/cbsc.co.uk/cbsc-study-hub/home>

Other notices

Request

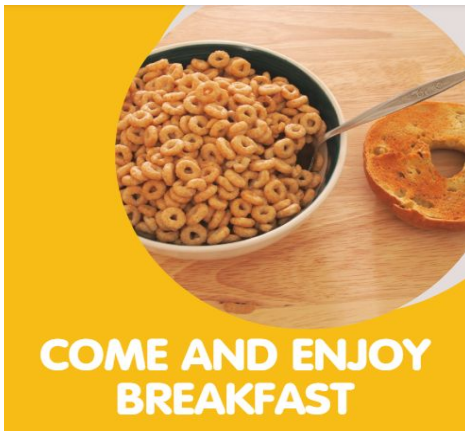

We are planning to make some cushions for our 6th form area, using university tote bags, to help inspire our lovely 6th formers.

We have collected lots of bags but need the cushion inserts, so if you have any old cushions that you were about to throw away or take to the charity shop, please bring them to the sixth form office and we will happily re-use them.

Breakfast

We are pleased to announce that the National School Breakfast Programme has been extended for another year, which means that they will continue to support our breakfast provision until July 2025.

Where: Cafe

When: Every day from 7.50am

*Everyone
Welcome!*

Parking & Picking up your child

We're reaching out to ensure the safety and well-being of our students and the respect for our neighbours on Winchcombe Road.

Recently, we've received an increase in concerns about inconsiderate parking during pick-up times. This can create congestion, block driveways, and even impede emergency vehicles.

Here's how we can all work together:

- **Consider alternative pick-up locations:** If possible, arrange to meet your child at a designated pick-up zone or a short walk away from the school.
- **Park responsibly:** Please prioritize safe and considerate parking, avoiding blocking roads, driveways, or pedestrian crossings.
- **Be mindful of time:** Plan to arrive with enough time to park without causing delays, especially after 3:00 PM.

Thank you for your cooperation in creating a safe and considerate environment for everyone.

School Fund

School Fund Update

Many thanks for all your contributions so far – We are 21% of the way towards our target. Please see the school website for information about how you can make a contribution. – Link [HERE](#)

We also have a Gift-Aid scheme where every £1 you give – or have given in the past – is worth 25p more. [Please click here to find out more.](#)

Trustees are hoping to raise £10,000 to give to the Student Power committee to invest in projects of their choice. They are currently considering a variety of Eco related projects across the site, but take a look at the leaflet and website to find out more information about how School Fund money has been spent in the past.

REPORT A SAFEGUARDING CONCERN

Shout is the UK's only free, confidential, 24/7 text messaging support service for anyone who is struggling to cope. Anyone can text 'SHOUT' to 85258 to speak to a trained volunteer at any time of day or night. Since launch, Shout has had more than 2 million conversations with people who are anxious, stressed, depressed, suicidal or overwhelmed and who need in-the-moment support.

The Mix is the UK's leading digital charity for under 25s, reaching over 6 million young people each year. Whatever issue a young person is facing, The Mix is always there for them - via our website, over the phone or via social media. Our support is free, confidential and anonymous and can be accessed wherever young people are.

YoungMinds have a range of information, advice as well as resources including things like wellbeing activities, toolkits and webinars to help you support the young people in your lives.

Place2Be is a leading children's mental health charity providing school-based support and in-depth training programmes to improve the emotional wellbeing of pupils, families, teachers and school staff. For almost 30 years, Place2Be has worked with pupils, families and staff in UK schools. The charity currently provides an embedded mental health service in over 520 UK primary and secondary schools, supporting a school community of around 298,000 children and young people.

Joe's Buddy Line's mission is to provide accessible and empowering mental health and wellness support to young people and their communities. Through education, resources, and advocacy, we create environments where mental health conversations are open, accepting and stigma-free.

Mind, the mental health charity, provides advice and support to empower anyone experiencing a mental health problem. We campaign to improve services, raise awareness and promote understanding. We won't give up until everyone experiencing a mental health problem gets both support and respect. mind.org.uk Mind has a confidential information and support line, Mind Infoline, available on 0300 123 3393 (lines open 9am - 6pm, Monday – Friday). Mind has information and advice on its website dedicated to 11-18 year olds.

UPDATES:

Additional Training Day 1st July, students working from home

October Half Term 2024 will now be longer. This is now 21st October - 1st November, with a supervised study area in week 1

We have now shared a Student/Parent & Carer version of our School Calendar on our Website.

This can be found [HERE](#). This is a working document and as events are planned, the document will be updated

If you have any questions about any upcoming events, please email contact@carshaltonboys.org
